

Still Picturing Creole New Orleans: **The Legacy of Arthur P. Bedou**

OCTOBER 26 & 27, 2019 • NEW ORLEANS, LA

“ We have an acknowledged photographic heritage here in New Orleans. There is Mr. Arthur Bedou. He took everyone’s ‘baby photograph’. He documented the Creole community, New Orleans people of color. It was a big thing to have a Bedou portrait. It meant that you were a person of means. You had contracted a professional. That photo would be proudly displayed on the mantelpiece. ”
